To whom it may concern;

It is my great pleasure to recommend Brandon Hayes to you for employment. He is a remarkable young man with many great attributes that will make an outstanding asset to your establishment.

I have known Brandon since 2012 when he was a student in my Grade 10 Academic English class. He has always been determined to improve his skills and to produce high quality work on any task assigned to him. Brandon especially excelled with group projects where he frequently took a leadership role.

Brandon's leadership skills were also used when he became involved with Student Council as a grade representative and project manager for our spirit clothing campaign. He independently contacted various vendors to find the best quality product with the best price for our students. Brandon also worked on advertising the sales campaign, coordinated the product orders, and worked on distribution. His support on all of Student Council activities was enthusiastic and contagious.

It is very easy to speak highly of this young man. He is respectful, hardworking, enthusiastic, cooperative, kind, creative and innovative. He takes instruction well, learns quickly, takes responsibility for projects and follows through.

If you wish to speak to me directly, please contact me at the numbers or email given below. Brandon is an exceptional student and will do well in any task he is given. I look forward to hearing of his future successes.

Sincerely,

Nancy Mattys, B..A, B.Ed.
